7. ORIGIN CRITERION AND DOCUMENT NOTES

Origin criterion: enter the criterion under USMCA Article 4.2 that supports the originating status of each good. Certifier is responsible for verifying the applicable product-specific rule, regional value content, de minimis rule, or other support before signing.

Recommended support: commercial invoice, packing list, bill of lading, product description/specification, producer statement, bill of materials/cost records, and any records needed to prove origin if customs requests verification.

8. SUPPORTING DOCUMENTS AND RECORDKEEPING

Documents available to support this certification

- ☐ Commercial Invoice ☐ Packing List ☐ Bill of Lading ☐ Producer certification ☐ BOM / cost records
- ☐ Product specifications ☐ Origin calculation / workpaper ☐ Other

9. CERTIFICATION STATEMENT

I certify that the goods described in this document qualify as originating and the information contained in this document is true and accurate. I assume responsibility for proving such representations and agree to maintain and present upon request or to make available during a verification visit, documentation necessary to support this certification.

The certifier should not sign unless they have knowledge or records supporting the origin claim. The importer may be required to possess and provide a valid certification of origin and supporting records when claiming preferential tariff treatment.

Additional certification notes / exclusions

10. AUTHORIZED SIGNATURE

Authorized signer name *	Title *	Company *	Date *
Signature of certifier *	Phone	Email	

11. SUBMISSION NOTICE

Submitting this form to Black Eagle Linehaul Services LLC does not authorize customs brokerage, does not guarantee preferential tariff treatment, and does not replace the importer, exporter, or producer obligations under USMCA/CUSMA/T-MEC.
